SIR:

In conjunction with the concurrently filed papers requesting filing of a Continued Prosecution Application, and in response to the outstanding Office Action of January 19, 2000, please amend the above-identified application as follows:

IN THE CLAIMS

Sub B<sub>1</sub> >  
A<sub>1</sub>  
--1. (Amended) A facsimile machine comprising:  
a printer unit for printing out data having a predetermined format; and  
interface means, coupled to said printer unit, for converting facsimile image data into  
recording data having a format in which said printer unit can input the recording data, and for  
supplying the recording data to said printer unit, wherein said printer unit comprises:  
a printing portion for printing recording data; and
